Angels at Home, Inc Named as Prestigious 2016 HHCAHPS HONORS Recipient

Corsicana, TX, 75110 Angels at Home, Inc has been named a [2016 HHCAHPS Honors](#) recipient by [HEALTHCAREfirst](#), a leading provider of Web-based home health and hospice software, billing and coding services, and advanced analytics. HHCAHPS Honors is a prestigious award recognizing home health agencies that continuously provide quality care as measured from the patient's point of view. It acknowledges the highest performing agencies by analyzing the performance of Home Health Consumer Assessment of Healthcare Providers and Systems (HHCAHPS) satisfaction measures.

Developed by Deyta Analytics, a division of [HEALTHCAREfirst](#), HHCAHPS Honors acknowledges the highest performing agencies by first analyzing performance on Question 25 – *Willingness to Recommend* as a qualifier and then analyzing performance on 18 other questions that comprise the publicly reported measures over a twelve-month period. HHCAHPS Honors recipients include those agencies scoring above the [HEALTHCAREfirst](#) National Average on at least 85% of the evaluated questions. [HEALTHCAREfirst](#) holds a special recognition, HHCAHPS Honors Elite, to honor home health agencies scoring above the [HEALTHCAREfirst](#) National Average on 100% of the evaluated questions.

"We are honored to be partnered with these top-performing home health agencies who are dedicated to providing quality patient care. HHCAHPS Honors defines a standard of excellence in the home health patient experience," said Bobby Robertson, President and CEO of [HEALTHCAREfirst](#).

About Angels at Home, Inc

Founded by two registered nurses in 1995, Angels at Home offered home care to friends and neighbors. Today, we embody that same spirit while serving residents throughout the region. Our hometown angels take care of their hometown. At Angels at Home, we always have a registered nurse on call 24 hours a day, 7 days a week. Someone is always there to answer the phone when you call; you'll never get an answering machine. Our agency is rated one of the best agencies in the country, and we are the only locally owned agency in the county. We have received recognition as one of the top 100 agencies in the nation by Home Care Elite for three years. We meet with each individual client and their family to perform a thorough assessment and gather information necessary to develop a detailed, individualized care plan. Once the care plan has been developed and approved by the client and family, a caregiver with the appropriate skills is assigned.

About HEALTHCARE*first*

HEALTHCARE*first* provides cloud based technologies and services to improve business and clinical operations for over four thousand home health and hospice providers across the United States. Based in Springfield, MO and one of the fastest growing providers of its kind, the company provides agency and clinical management software, revenue cycle management services (billing, coding and chart audits), and cloud based "Deyta" analytics and program management solutions, in any combination. HEALTHCARE*first's* breadth of solutions offers agencies a single source to improve patient care, create operational efficiencies, increase profitability and simplify CMS compliance. With HEALTHCARE*first*, agencies can focus on patients instead of paperwork. For more information, call 800.841.6095 or visit the company's website at www.healthcarefirst.com.
